

## GIRLS! TRY IT! HAVE THICK, WAVY, BEAUTIFUL HAIR

Every particle of dandruff disappears and hair stops coming out.

Draw a moist cloth through hair and double its beauty at once.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Dandierine hair cleanse." Just try this—moisten a cloth with a little Dandierine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Headache dissolves every particle of dandruff, cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks use when you will actually see new hair—fine and every at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and do it surely get a 25-cent bottle of Dandierine's Dandierine from any drug store or toilet counter, and just try it. Save your hair! Beauty! You will say this was the best 25 cents you ever spent.—Advertisement.

## Embarrassing Hairs Can Be Quickly Removed

(Beauty Culture)  
Hairs can be easily banished from the skin by this quick, painless method. Mix into a stiff paste some powdered delatone and water, spread on hairy surface and in 2 or 3 minutes rub off, wash the skin and it will be free from hair or blemish. Exceedingly stubborn growths, an application is sufficient. To avoid disappointment, buy the delatone in an original package.—Advertisement.

## Insure yourself against the strain of city life

You should insure yourself against the daily jolts and jars that tend to break down your health.

Leather heel wearers get 8,000 jars a day.

O'Sullivan's Heels of New Live Rubber save your spine from the jolts and jars you get from city pavements.

When you buy your new shoes, buy them O'Sullivanized.

Insist on O'Sullivanized shoes; the new live rubber heels give the greatest wear with the greatest resiliency.

## AID HOME PEOPLE

Randolph Men Organize to Protect Oil Interests.

Leases on 25,000 Acres Taken by Three Companies.

Randolph, Kan., Oct. 24.—For the last five or six weeks from twenty-five to thirty-five men have been in Randolph for the purpose of leasing land for drilling operations. It is claimed that 25,000 acres have already been taken in Riley, Pottawatomie and Washington counties. Homer Bolea, proprietor of the hotel here, says this army of oil people has crowded his place daily and has left him about \$500 a week to pay expenses. Three different oil corporations have their representatives in Randolph at this time.

A new company has been formed of Randolph men and a charter has been applied for. The officers are: President, Hemming Bergsten; vice president, J. J. Wiesendanger; and secretary-treasurer, Wm. Secrest. A board of directors includes the president, vice president and J. F. Copeland, W. H. Secrest, August T. Boren, L. W. Johnson and T. F. Newman. J. J. Wiesendanger was chosen field manager.

**Protect Land Owners.**  
The firm is known as the Randolph Oil company, and claims to be for the purpose of leasing land in order to protect landowners from falling into the hands of foreign companies and being bound for five years or more at nominal prices.

The value of the company to the land owners, they claim, will be determined by the way the owners themselves take advantage of the opportunities offered by the home company. It is also said that better contracts, which bring to those having lands to lease many hundreds of dollars, will be a result of the organization of the Randolph company.

Randolph is in Riley county. It is one of the few towns in the state where they are too busy to talk politics.

The population is about 400 and the people are so prosperous that none of them wanted offices. There is a newspaper here, two banks, four general stores, a drug store, hardware and implement store, furniture and lumber establishments and many other business houses. The oil developments have brought new interests of the town and the people are watching and waiting.

**QUIT AS DEPARTMENT HEAD.**  
Prof. Stevens Places Botany at K. U. Under Committee Rule.

Lawrence, Kan., Oct. 24.—Recognizing the superior merits of the committee system in place of the plan whereby one man is at the head of the department, Prof. W. C. Stevens has resigned his place as head of the department of botany and placed the department on the committee basis.

Professor Stevens called a meeting of the instructors in the department and announced his resignation. He then told of his plan of reorganization. Professor Stevens was elected permanent chairman and had charge of the sub-committees of the department and apparatus.

**DISCOVER NEW "DOPE RING."**  
Wholesale Robbery of Drug Store in Wichita Brings Arrest.

Wichita, Kan., Oct. 24.—A second "dope ring" which it is said resumed the alleged wholesale robbery of the C. B. Feltz drug company's narcotic department. Quantities of morphine, cocaine and heroin, worth probably \$1,500, according to an unofficial estimate based on the rate at which some of the loot has been sold to Wichita users of narcotics, were taken from the warehouse of the company at one time the morning of Sunday, October 8.

Investigation by combined federal, city and private detectives resulted in the arrest of Roscoe Addins, for three years a trusted order clerk with access to the drug company's narcotic department, and Earl Covey, until recently a messenger in the company's employ. He was employed there nine months.

**JUMPED TO ENGINE PILOT.**  
Stockman Staged Thriller When Train Struck His Horse.

Arkansas City, Kan., Oct. 24.—Riding the pilot of an engine in the wildest and wildest way after leaping from his horse's back and landing there without injury, while the train sped on at thirty miles an hour, was the experience of R. P. Hutchinson, a farmer near Burbank, Okla. Hutchinson was driving cattle across the Santa Fe right of way and was safely across with the herd and his horses just as the northbound passenger came around the curve and hit him. The headlight flashed in front of the horse. He reared just in time to land squarely on top of the cowcatcher. The horse was hurled to one side, badly mangled, but Hutchinson practically uninjured, clinging tightly to the pilot until the train stopped.

**K. U. VICTIM DIES.**

Paul Huxman, of Pretty Prairie, Contracted Fatal Malady at Lawrence.

Hutchinson, Kan., Oct. 24.—Paul Huxman, of Pretty Prairie, a brother of Walter Huxman, assistant county attorney, died in the Methodist hospital after an illness of two weeks. Mr. Huxman was one of nineteen students of the University of Kansas who was taken ill with typhoid fever two weeks ago. He was here in the hospital, showing improvement until Saturday evening.

The funeral was held Monday at Pretty Prairie with Rev. M. Lee Sorey in charge. Mr. Huxman was a well-known young man, having been superintendent of the Pretty Prairie schools. He was about 21 years old.

**WANT MINE RESCUE STATION.**

Auto Trucks Prove More Efficient Than Railroad Car at Pittsburg.

Pittsburg, Kan., Oct. 24.—Pittsburg is working for the establishment of a mine rescue station at that place, and at a recent conference, John Pellegrino, state mine inspector, had the matter before Governor Capper.

The U. S. bureau of mines has a mine rescue car stationed at Pittsburg, but it has been proven in the Illinois fields and elsewhere that motor trucks are much more efficient. With good roads they can reach mines where accidents occur much quicker than by switching a mine rescue car by rail. Such a truck or trucks would be located at Pittsburg if the project goes thru.

**DOESN'T WANT RURAL ROUTE.**

Smith County Farmer Believes Carrier System Unnecessary Expense.

Smith Center, Kan., Oct. 24.—The most contrary man in this county is Frank Nichols. For years Nichols has stubbornly refused to have his mail come by carrier, altho a route runs right by his door. Each Saturday he makes the eleven-mile drive to the city and gets his mail out of the postoffice.

He believes the carrier system is an unnecessary expense to the government and that it is putting false and injurious notions into the heads of the present generation of young people growing up on the farm.

**STUBBS SPEAKS AT OTTAWA.**

Former Governor on Program Friday—Curtis Speaks Today.

Ottawa, Kan., Oct. 24.—Ex-Governor Walter R. Stubbs will speak at the court house here Friday night, October 27, at 8 o'clock. The Republican central committee, which secured the former governor is planning a big meeting.

The committee has arranged meetings for all this week. United States Senator Curtis was to be here this afternoon to speak at the court house. Miss Kathleen Taylor of New York was to speak. In the evening at the court house the Rev. J. R. Ransom will speak to the colored men and women.

**START NEW CITY BUILDING.**

Lions Will Have Auditorium, Offices and Fire Department Quarters.

Lyons, Kan., Oct. 24.—Judge D. A. Banta of Great Bend delivered the address and laid the cornerstone of the new \$30,000 city hall here.

The building will be one of the most useful in the city. Commodious offices rooms for the city officers are

## 25 YEARS AGO IN TOPEKA

From the columns of THE TOPEKA STATE JOURNAL

October 24, 1901.

Congressman John G. Orie will speak in Lukens's opera house in North Topeka, Monday night.

The second division of the Philomathean literary society gave some photographic exercises at the high school. The following pupils made over 90 per cent: Nellie Hendricks, Mabel Miller, Pearl Kirkpatrick, Ella Bradford, Blanche West, Lalla Blake, Lena Copp, Edith Ott, Selma Johnson and James Joneason. The debate on the subject "Resolved that the Press is a Moral Force," was discussed on the affirmative by Winslow Vanderpool and Pearl Kirkpatrick and on the negative by Ernest Council. There was discussion on "Whether the Scenery of the New World is as Beautiful as that of the Old." Miss Eudie Pitt read a paper on the subject which was followed by talks by Charles Stewart and George Beck. Then Miss Lena Copp sang beautifully solo accompanied on the piano by Prof. Minckwitz.

The peculiarities of the "Church of God" organized here by the notorious transcontinentalist, Mrs. M. B. Woodworth are many. Yesterday was grand feast day or perhaps more properly speaking "grand feet." There was public washing of feet for all the members. The interesting performance took place last night at the Ladies Library hall between eleven and twelve and Kansas avenue. One hundred and seventy-five had their feet washed and were then turned up for inspection. Elder Bolton, pastor of the local church and Elder Fornerook of Fort Scott, presided at the ceremony. The members were arranged in circles, the men on one side and the women and girls on the other. Water was brought from the well nearby and poured into large tin basins. After Scripture reading the members took off their shoes and stockings and deposited them behind their chairs. According to previous instructions the members had carefully washed their feet during the day so that soap and scrubbing brushes were not needed. After having set the example the members washed one another's feet with pleasure. The water was cooled to an undisturbed temperature and some faces were far from solem. One young woman forgot so far as to say "ouch." The display of feet was wonderful and some well turned ankles were on display. The ceremony of feet washing lasted for two hours and it was a sight worthy of a kodak.

be provided as well as a fire department headquarters. The auditorium will have a seating capacity of nearly 2,000. The building is practically fireproof and will have eight or ten exit doors.

**WOMAN DIES OF INJURIES.**

Toll of Emporia Street Car Crash Reaches Two Deaths Today.

Emporia, Kan., Oct. 24.—A street car collision with a buggy here which resulted in the instant death of Mrs. Ernest Tomlinson, claimed a second victim later in the day, when Mrs. Aaron Hammer, the mother of Mrs. Tomlinson, died from injuries received in the crash.

Mr. Hammer and two children of Mrs. Tomlinson, the other occupants of the conveyance, escaped with slight injuries. Confusion at the approach of the car was said to have been responsible for the accident.

**HOPED TO REACH AGE OF 110.**

Sedgwick County Farmer Is Dead—Was 106 Years Old.

Wichita, Kan., Oct. 24.—John Muhlen, 106 years old, a native of Ireland, is dead at a local hospital here. He was a bachelor and it was rumored he had considerable money buried on his farm near Clear Water. He often remarked that he hoped to live to the age of 110, the age both his parents attained, he claimed.

**ATCHISON PREACHER TO K. C.**

The Rev. W. C. Isett Will Succeed Dr. Arnold at First Presbyterian.

Kansas City, Oct. 24.—The Rev. William C. Isett of Atchison, Kan., has been called to the pastorate of the First Presbyterian church here. He will succeed Dr. Frank A. Arnold, who resigned July 1 to enter evangelical work.

**FARMER KILLED UNDER WAGON.**

Sedgwick, Kan., Oct. 24.—Louis Crawford, 60 years old, a well known farmer, was killed on his farm here, when he fell before a loaded wagon in his farm yard. The wheels passed over his head, fracturing his skull.

**SANDLOT FEUD FATAL.**

See Defeat for His Gang, Boy Shoots Two With 22 Rifle.

Chicago, Oct. 24.—Frank Young, 9 years old, did not want to see his comrades beaten in a gang fight and the victim of the fight, Martin Carson, 9 and David Downs, 10, all are South side school boys.

Carson, with a bullet in his brain, will die. Young shielded Carson from the fight with Carson's Canal street gang. Young saw defeat so he ran home and secured a 22 calibre rifle. The first bullet felled Carson and the second wounded Downs in the leg. Frank was arrested.

**ACHING TEETH**

RELIEVED AT HOME

Sloan's Liment Robs Toothache of Its Terrors. Pain Vanishes in a Few Minutes.

No need to pace the floor all night with the agony of a throbbing tooth. Sloan's Liment will quickly relieve the pain and give you rest.

A single application and the pain usually disappears. Sloan's Liment gets right to the root of the trouble. Like a warming balm it relieves congestion, and in a few minutes toothache is reduced.

To soothe the throb of a tooth that pains with neuralgia, apply Sloan's Liment externally. Aching muscles, rheumatism, gout, bruises, sprains, lumbago, chilblains, sprains and stiff neck can also be most effectively treated with Sloan's Liment. Cleanses from mussy plasters or ointments.

Sloan's Liment at all drug stores in 25c, 50c and \$1.00 bottles.

**START NEW CITY BUILDING.**

Lions Will Have Auditorium, Offices and Fire Department Quarters.

Lyons, Kan., Oct. 24.—Judge D. A. Banta of Great Bend delivered the address and laid the cornerstone of the new \$30,000 city hall here.

The building will be one of the most useful in the city. Commodious offices rooms for the city officers are
